Content Concentration

**Education is the means by which we can all achieve greatness. You can help kids reach their potential when you earn a bachelor's degree in education from Heritage University.**

### What will you do?

- Learn the latest practices from professors with years of experience working in K-12 education.
- Get hands-on, practical teaching experience working in K-12 classrooms, after school programs, and community organizations throughout your program.
- Prepare to work effectively with culturally and linguistically diverse students and their families.

*"I'm so happy I chose to come to Heritage. I feel like I've learned so much, not just about teaching but also about life."*

— *Evelia Garcilazo*

### About Heritage

What does Heritage offer you?

- A world-class education
- Instructors who are working professionals in the fields they teach
- A low student-to-faculty ratio that allows you to build real connections
- A commitment to social justice that will prepare you to make a difference in your community

## The Heritage Difference

### One Goal – Two Pathways

Heritage offers two delivery options for candidates seeking a degree in Elementary Education. This means you can choose the pathway that best fits your learning style and life situation.

**Theory to Practice** – Attend engaging, interactive classes, scheduled in the evenings and on weekends, along with field experiences that allow you to apply what you are learning in class. This option is perfect for candidates who need to work during the day.

**Residency** – Work side by side with peers and an experienced classroom teacher in a K-8 classroom throughout the week. Spend time on campus with your teammates and instructors gaining content knowledge and pedagogy. This option allows you to graduate with two years of classroom experience.

**MAIN CAMPUS**  
3240 Fort Road  
Toppenish, WA 98948  
888 272-6190
