You’re invited to the Educational Opportunity Gap Oversight and Accountability Committee’s Forum Event!

Get involved and learn more about EOGOAC’s 6 priorities:

- Decrease the disproportionate representation of students of color in disciplinary actions in schools.
- Enhance the cultural competence of current and future educators.
- Provide English Language Learner/Second Language Acquisition endorsement for all educators.
- Create new English Language Learner Accountability Benchmarks.
- Provide tools for deeper data analysis and disaggregation of student demographics to inform instructional strategies to close the opportunity gap.
- Invest in the recruitment and retention of educators of color.

We welcome educators, parents and all interested community members from Toppenish and neighboring communities to participate.
