Student Name: _____ Student ID#: _____

E-mail: _____ Phone: _____

Return this form along with appropriate documentation to avoid delays in receiving your financial aid.

Check the appropriate box below:

Attach a photocopy of your Social Security Card if you have applied and have been approved for Deferred Action for Childhood Arrivals. Example of DACA SSN:

You are DACA and you enrolled in the Washington College Bound Scholarship program while in 7th or 8th grade and also graduated from a WA High School. We may be able to establish additional aid eligibility for you if you provide a copy of your DACA *Approval Notice (Form I-797)*.

If you don't have a DACA SSN we will establish an internal number in place of an SSN after you complete a W-9S form. You can download this from online at <http://www.heritage.edu/FinancialAidForms>. You will still be considered for both State and Institutional funds.

If you have an Individual Tax Identification Number (ITIN) you will need to provide a copy of the IRS letter you received as well as complete form W-9S. You will still be considered for both State and Institutional funds.

If you would like to learn more about your funding options, including loans that you may be able to apply for, please come in and meet with a Financial Aid Coordinator.

We will gladly make photocopies if you bring this information to our office in the Student Services Building. Please remember that we need to hear back from you whether you are DACA or not before we can begin to establish your eligibility.
